

# Leanium® Starter Mixer

## Product Description

Leanium Starter Mixer is formulated to optimize lean tissue growth in fast growing, genetically superior lines of show pigs.

## Features and *Benefits*

This nutrient-dense supplement will allow the grower who desires a grind and mix diet formulated **to express the pigs genetic potential for growth and carcass quality.**

Leanium Starter Mixer contains multiple protein sources along with complex trace minerals and amino acids **for the faster growing, genetically superior lines of show pigs, capable of maximizing lean tissue growth.**

Dried Whey, Dried Cheese Products and Sugar Products are used **to improve palatability and pig performance.**

Yeast sources can block the colonization of pathogens, **allowing microflora balance in the gastro-intestinal tract.**

Carnitine, Chromium and Pantothenic Acid – Research indicates reduced back fat, therefore **improving overall carcass quality.**

## Leanium® Starter Mixer

A supplement for pig starting feed.

### INGREDIENTS

**4**  
Fish Meal, Dried Whey, Dried Cheese Product, Feeding Oat Meal, Sugar Foods By-Product, Soybean Meal, Animal Fat, Animal Plasma, Serum Globulin, Animal Serum, Lactose, Corn Distillers Dried Grains with Solubles, Calcium Carbonate, Monocalcium Phosphate, Dicalcium Phosphate, Salt, L-Threonine, L-Tryptophan, DL-Methionine, L-Lysine, Yucca Schidigera Extract, Yeast Culture, Irradiated Dried Yeast, Vitamin A Acetate, Vitamin D<sub>3</sub> Supplement, Vitamin E Supplement, Menadione Dimethylpyrimidinol Bisulfite (source of Vitamin K Activity), Riboflavin Supplement, Niacin Supplement, Calcium Pantothenate, Vitamin B12 Supplement, Choline Chloride, Folic Acid, Biotin, Pyridoxine Hydrochloride, Natural and Artificial Flavors Added, Zinc Methionine Complex, Copper Amino Acid Complex, Manganese Amino Acid Complex, Potassium Chloride, Manganese Sulfate, Ferrous Sulfate, Copper Sulfate, Calcium Iodate, Zinc Sulfate, Zinc Oxide, Selenium Yeast, Sodium Selenite, Chromium Tripicolinate, L-Carnitine, Ethoxyquin and BHT (preser-

## Mixing Directions

Gr. Corn or milo	1,000
Leanium Starter Mixer	1,000
Total, lb	2,000
Protein, %	22

Do not add additional copper to the above diet. To medicate these diets see directions on back of page.

## **Feeding Directions**

Feed Kent SAV-R-IZED® Mini Nuggets and/or Easy Wean® Nuggets to pigs weighing less than 15 lb at weaning. Feed above diets as sole feed to swine.

To provide antibiotics and/or drugs in the previous diets, substitute the desired medication by one of the following methods.

1. GM® Med-I-Kent® Concentrates  
Substitute the desired GM Med-I-Kent Concentrate pound-for-pound for Leanium Starter Mixer.
2. GM® Protector® Paks  
Substitute the desired GM Protector Pak pound-for-pound for corn.
