

First Rate® Hang Time™

25 lb

SHOW

A maintenance feed designed to maintain weight and muscle mass on show barrows, boars, and gilts prior to the show.

1. **Delivers optimum levels of amino acids, minerals and vitamins with limited feeding of 3-5 lb per head per day.**
2. **Complexed trace minerals (copper, manganese, zinc) for improved bioavailability.**
3. **Potassium chloride provides a source of electrolytes.**
4. **Water-soluble vitamins (biotin, folic acid, pyridoxine) involved in energy and amino acid metabolism for lean tissue growth and proper skeletal development.**
5. **NutriVantage® technology which can promote healthy gut environment, help balance gut micro-flora, combat stress, provide immune system support and aid nutrient availability and digestion.**
6. **Contains show bloom!™ to promote intestinal health, feed utilization and overall health.**
