

Gold-Cote™

Gold-Cote is a 50/50-food grade corn/soy oil with cherry flavoring. Gold-Cote will be used in mixing horse, calf, lamb, show feeds and other livestock feeds for added energy, flavor and giving a wet appearance to the complete feed. The rate of inclusion will be 20# to over 60# per ton of complete feed.

35 lb or 2000 lb tote

TREATMENTS

- 1. Food grade corn/soy oil with cherry flavoring for aroma and taste to enhance intake.**
- 2. Replacement for a portion of the wet or dry molasses in the feed formula.**
- 3. Allows you to add 20# to over 60# per ton of complete feed for flavoring, energy and wet appearance.**
- 4. Use as dust reduction.**
